Transmitted herewith is Form PTO/SB/08A listing documents provided with this Second Supplemental Information Disclosure Statement that may be relevant to the subject application. It is respectfully requested that these documents be considered by the Examiner and an initialed copy of this form be returned to the undersigned. It is believed that this disclosure complies with the requirements of 37 CFR §§ 1.56, 1.97 and 1.98 and the MPEP § 609. If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Submission of these documents is consistent with the broadest interpretation of the duty of disclosure. In accordance with the rule for patent prosecution, such a submission is not to be construed as an admission that the information cited in this Second Supplemental Information Disclosure Statement is, or is considered to be, material to patentability as defined in §1.56. Applicants respectfully reserve the right to challenge a conclusion that any of the submitted material represents information constituting prior art to the present application or that the information that applicant has located would be of the type used by one of ordinary skill in the art in solving the problems addressed in the present application. The submission of these materials is consistent with the duty of disclosure and should not be interpreted as an indication that Applicants have made a prior art search such that the Examiner should not undertake to conduct an independent prior art search.

Please note that Applicants are submitting references listed in a Final Office Action dated April 4, 2005 for co-pending U.S. Patent Application Serial No. 09/606,683.

It is noted an Office Action issued for the present application on November 2, 2004, and a Response with Request for Continued Examination was filed on March 23, 2005. However, as Applicants have only recently become aware of the references cited in the April 4, 2005 Final Office Action, no fee is believed due with the filing of this Supplemental Information Disclosure Statement.

Respectfully submitted,

April 15, 2005
